Across

1 A match or game consisting of individual players competing against each other. (7)

5 The fastest possible shot that is almost impossible to return. (4)

7 A formal contest in which two or more persons or teams compete. (5)

cellular rubber material used as an under-layer base for rubber sheets. (6)

6 A serve that strikes the net before falling into the receiver's court; the ball must be served again. (3)

Down

1 A score of 7-0. (5)

2 Six inches high strip of netting dividing the table into two equal parts. (3)

3 A long sweeping upward motion that just grazes the ball and puts tremendous spin on it. (4)

4 A high-density
